Nurse Nina brings her healing touch to porn.

NURSE NINA WILL FIX YA UP

Dear 40Something,

I am loving the SP320 issue packed full of brand new MILFs. My favorite lady is Nina Dee. I was already intrigued by her stunning cover photo, but the picture of her on the inside cover sealed the deal. She looked so sexy fingering her pussy that I knew I had to go straight to her pictorial. I

sure wasn't disappointed. Nina has a great bikini body, and the photo of her on page 30 says it all. If I had to give that photo a caption it would be, "Here I am, boys!" In this photo, Nina has a great smile, a great pair of tits and a toned tummy. Her body language is so welcoming. You can tell that she really wants to share her body with us.

We get to see more of that body and pretty face as the pictorial progresses. I read that she used to be a nurse. I'm sure all her patients got hard-ons for her. If only they got to see her the way we get to see her in the magazine. They'd be injuring themselves on purpose every week to simply bask in her presence. Nina could cure anything that ails me with that incredible figure and her juicy pussy. I must also thank you for all the nice pussy and butthole shots of Nina. Her big pussy lips are absolutely succulent, and that butthole of hers is a perfect starfish. I can't get enough of this woman. Thank you for introducing her to me. -C.C., Charlotte, North Carolina

THE BEST MILFS FROM HEAD TO TOE

Dear 40Something,

As a long-time fan of your magazine, I thought I would write in and let remind you of some of your mature

models who deserve recognition. An awards list, if you will. This is by no means a comprehensive list, but these are some of my favorite ladies. I believe every woman has something beautiful about her, and this list is a tribute to that.

Reader R. voted Persia as having the best natural tits. We agree.

Best real tits: Persia Monir. I'm not 100 percent sure hers are real, but I'm pretty sure they are. I've investigated them closely, and I see no evidence of implants. Hers appear to be good ol' fashioned natural big tits. They're nice and full and pretty perky considering their size, and you've got to love the tan lines. Great areolae and nips too.

Best fake tits: Alexis Fawx. If they're gonna be fake, might as well make sure they're big and round and perky. Alexis's boobs complete her blonde MILF fuckdoll look. They suit her and look great on her slim figure. She also has nice tan lines and pretty areolae.

Best ass: Vera's got a donk, one of the biggest and roundest I've seen in your magazine and website. This model has not gotten enough action in your magazine. Please feature more of her and her lovely ass.

Best asshole: Not to be confused with best ass. Here, I'm talking about the actual hole. And Valerie Rose takes the cake with this one. Her butthole is puckered just right and opens just slightly when she spreads her cheeks. It looks so pretty and inviting; I just want to slide my cock right in.

Best legs: Catherine. Another model who hasn't gotten enough love in your mag or website.

Her gams are muscular and powerful, just how I like them. Please invite her back for another shoot, and make sure to get lots of full-body shots of those lovely stems of hers.

Best pussy: Diandra. This

Oksana has an elegant face and a hot, dirty body.

woman is holding up. I love every part of her, but my favorite has to be her pussy. When she's not spreading it, it's a neat, little clam. When she opens it, it's a delicious oyster ready to be slurped. One of the best things about Diandra is that you have photos of her from 15 years ago when you still had the *30Something* magazine. You can see that in those 15 years she has barely aged at all. She also used to have a bush, and now she's shaved. She still has the best pussy, bush or no bush.

Prettiest face: This was a hard one to pick, but I'd have to say the award goes to Sasha Sean. She has beautiful blue eyes and a seductive smile. She could make me cum just by looking at me with that pretty face and talking dirty. And she still looks just as pretty with cum drizzled all over her face.

It was hard for me to whittle down this list, as there are many other beautiful women I could choose from. I love all your models. I hope you enjoyed this letter and that it encourages other readers to write in and share their favorite models.—R., via email

CLASSY YET NASTY

pussy lips. It was hot to see her play with a toy. We don't see that too much in your magazine anymore, but it was something that I always found erotic. I enjoy watching women masturbate as much as I enjoy watching them get fucked. So I can't wait till that toy of hers is replaced with a real cock. I'm a little surprised she didn't get chosen to be on the front cover. That first photo of her on page 64 would've been perfect. I hope next time you feature her in the magazine you consider her for the cover. She has that classy look, and I think many men who are attracted to mature women like that. The best part is that even though she looks classy she can be a slut for cock. So now that we've seen her classy side, we need to see her nasty side.—P., via email

CANDACE'S FIRST BBC

Dear *40Something*,

Full-figured women like Candace look hot with black cocks. That's why I was very pleased to see her XXX interracial pictorial in the SP320 issue. No lie, when I first saw her in your SP315 issue, the first thing I said to myself was, "This chick needs a black cock in her mouth." You read my mind! Well, maybe not. It's pretty obvious that Candace needs some BBC in her life. Curves like hers were made for big-dicked black studs.

My favorite photos were on pages 42 and 43. On page 42 we got to see her legs splayed out with that chocolate rod planted firmly in her pussy. Her

tan lines and tits look lovely as well. In the bottom photo we get to see her nice juicy ass as she gets fucked doggie-style. This is one of the best positions for a woman built like Candace, as I'm sure she can take a hard pounding.

And of course I love the photo on page 43 because it's the cum shot. We get to see Candace's face drizzled with nut as she makes a nice horny face while looking directly at the camera. And best of all, it's a full-page photo. Way to end the layout with a bang. I

hope you'll keep providing us with hot interracial photos starring curvy, blonde MILFs like Candace.—M.W., Baltimore, Maryland

WANTED: CREAMPIES

Dear *40Something*,

It's been a while since we've seen a creampie. How about you throw us a bone and show us a hot model with a nice load oozing out of her pussy? Or even better, how about an anal creampie? Tylo's facial in SP320 was nice, but I would've preferred to see that load coming out of her pussy. Nadia Night did anal in that issue. That was the perfect opportunity for her to have gotten an anal creampie shot. Same with the sexy Lily. Facials are fine and all, but creampies are so much hotter. I'm not sure why you guys don't shoot more of them. You have a few MILF and GILF titles dedicated to creampies, and they are some of your hottest videos. I hope you'll consider shooting some creampie scenes soon.—R., via email

LILY, QUEEN OF COCKS

anal. She is eager to play with both of those cocks and take them in all her holes. She lovingly sucks each cock and lets them take turns fucking her pussy and ass. Her asshole is totally stuffed in the centerfold picture. This is one of the best centerfolds you've ever printed. You can see the cock so deep in her backdoor pucker. Lily is a pro to be able to do anal with both those big cocks and make it seem effortless. And for the finale I loved seeing her whole body covered in cum. I wonder if you will ever do a pictorial where the woman is with three men. I would love to see a gangbang pictorial like that in your magazine. Lily would be the perfect candidate for something like that. She looks so beautiful and elegant, yet she's a horny slut who's not afraid to have group sex and get completely covered in cum. Please consider shooting gangbangs, and please keep featuring hot anal three-ways like Lily's.

APRIL SKYZ

INTERVIEW BY CARLO PIRRONGELLI

April Skyz is a self-described hot wife and cougar. That's obvious just from looking at her. But what you might not guess is that April is also a bit of a geek. She loves to play video games and watch sci-fi movies. She claims that geeks are really into porn. And that's how she ended up in

our studio. She's also a cam girl and swinger. And now this hot geek is going to suck and fuck on-camera for the first time. But before that happens, we get to know a little bit more about Mrs. Skyz.

40SOMETHING: Welcome to 40Something mag. How are you?

APRIL: I'm great, thank you.

40SOMETHING:

Tell us your name.

APRIL: My name is April Skyz.

40SOMETHING: Interesting name. Why did you pick April?

APRIL: I like the name April. It's very pretty and sexy. It sounds Spring-like. Flowers blossoming.

***"I've had a
threesome
on numerous
occasions.
I really
like them."***

40SOMETHING: And why did you pick Skyz?

APRIL: I like the sound of it too. I like the sound of a Spring day.

40SOMETHING: And you are from?

APRIL: Originally from California, and I'm in Florida now.

40SOMETHING: California, Spring, it's starting to make more sense.

APRIL: It's the best time of year.

40SOMETHING: Tell us more about California.

APRIL: I love California. You have everything there. There are big cities, countrysides, the ocean, the mountains. There's a lot of hiking. I love to hike. I think my heart is always going to be in California. But I love Florida too because of the ocean. I love to travel a lot. I don't put my roots anywhere.

40SOMETHING: You mentioned you like hiking. Are you into sports?

APRIL: I'm not into sports, but I love video games. I played sports way back in high school, but I don't play or watch any sports now. Occasionally I'll watch UFC, but I don't keep up with it enough to

know who all the fighters are.

40SOMETHING:

What sports did you play?

APRIL: In high school I played a lot of volleyball. That's my favorite. And some softball.

40SOMETHING: I noticed you're a little bit tall. How tall are you?

APRIL: I'm 5'9". I was a spiker. I had a good jump.

40SOMETHING: What made you move to Florida?

APRIL: I like the tropical climate here. I like that it's humid, and nobody else does, it seems [Laughs]. So humidity doesn't bother me at all. I like it. I'm not dehydrated as much. And I love the beach. Florida is surrounded by ocean.

40SOMETHING: But they have beaches in California too.

APRIL: Yeah, but it's cold water, unless you're in Southern California. The Pacific Ocean can be pretty chilly. But the rocky coastline is beautiful. It's beautiful to hike along. But the beaches here are more accessible and warmer, more swimmable.

40SOMETHING: Have you ever been to Venice Beach?

APRIL: No, I haven't. I've been to Malibu and Huntington Beach and a lot of other beaches there, but not Venice. I don't remember being there.

40SOMETHING: Venice is famous for debauchery.

APRIL: I've heard it's crazy. All kinds of fun things to watch and do.

40SOMETHING: It's kind of like Key West.

APRIL: Oh yeah, anything goes. I love Key West. I've had some of my best times that I can remember there.

The 40something Interview

40SOMETHING: There was one thing I wanted to bring up. How did you get into video games?

APRIL: I've been playing video games since I was little, since I could remember. We had ColecoVision when I was a kid. I got a Nintendo when I was a little older. The first game I got really into was the original Legend of Zelda.

40SOMETHING: I don't mean to interrupt, and I don't mean this in a bad way, but are you a little bit of a geek?

APRIL: Yeah, I am. Throughout high school I played video games. I gave it up for a little bit in college because I didn't have that much time, and I definitely didn't have money to buy the new consoles. But I came right back to it. And I still play video games. I'm always the oldest person in the room.

40SOMETHING: Going back to the geek thing, it's awesome because you're a geek but you're shooting porn. You take your clothes off on-camera. You're going to do other things. That's hot.

APRIL: There are a lot of geeks that are into porn so it works out for me. We have a lot to talk about, I imagine, because I love science fiction movies. I can't stand chick flicks. I like action movies, like all the Marvel superhero movies and stuff like that.

40SOMETHING: So you said geeks are into porn. Tell us about that.

APRIL: Everybody is into porn. Whoever says they're not into porn is just secreting it away.

40SOMETHING: But why geeks

more than other people? Is that what you meant to say?

APRIL: No, I don't think it's more than other people. I just think maybe they're more open about it because they've embraced their geekiness. So they're more like, yeah, so I watch porn. They're used to judgments.

40SOMETHING: Do you discuss your love of porn with anyone? With your geeky friends?

APRIL: I discuss it with my close friends for sure, but not everyone. I would say in the universe of older, more mature people it's just frowned upon to talk about certain things. I came from a more conservative job and for certain, depending on where I worked, it was either acceptable or unacceptable to talk about things like, my husband and I have porn Fridays. Some people would look at me like I was crazy.

40SOMETHING: What is porn Fridays?

APRIL: It's the Friday night thing. Some people go out and party or go to a club, and my husband and I will always joke about the fact that it's porn Friday for us. We'll pull up some kind of porn. It could be homemade porn or something else we want to watch. So yeah, it's a tradition in my household.

40SOMETHING: You make home movies?

APRIL: Homemade movies are fun.

40SOMETHING: Do your friends know what you do?

APRIL: They know about porn Fridays because we've talked about it.

40SOMETHING: Do you have a gathering for that?

APRIL: No, [Laughs] I haven't done that.

40SOMETHING: Is that something you would like to explore?

APRIL: You know, maybe, depending on the friends. I need to make more friends too.

40SOMETHING: Do you have experience with threesomes?

APRIL: Yeah, I have had a threesome on numerous occasions. I really like them. My husband and I started watching porn together way back, and we would watch threesomes and he'd ask me if it was something I'd want to try. I think what I said to him was that I didn't really think about it. Because when I fantasize about something, I kind of just want to make it a reality. So if it's something that I know I'm never going to be able to do I try not to think about it because I can't attain it. And that's frustrating for me. So once he said that would be something we could do together I was really excited about the idea. So yeah, I've had threesomes with two men. I've never had a threesome with two women. I'm open to it. I'm not into women but I'm open to the idea of a woman being present. Like I want to watch a woman with my husband or watch a woman with her man in a couples situation.

40SOMETHING: Sit and watch?

APRIL: Yeah, like a voyeur, maybe partake a little bit with her.

40SOMETHING: Would you maybe hide in the closet?

APRIL: [Laughs] And peep in. No, I'd want to be right there. Like being able to talk about it with them while they're doing it. I want them to see me. I want it to be about the performance. That's how I am. I think I perform differently when I know people are watching.

40SOMETHING: You sound like a pervert to me, which is good. It's pretty awesome. Would you be the person who would get a camera and start filming the whole thing?

APRIL: I think I would be so swept away in the moment that I wouldn't. Because then you would be focused on the camera. And I'm not the best cameraperson. It's a little nerve-racking to use a camera. It's much easier for me to give my undivided attention without a camera, where I can just watch.

40SOMETHING: So you're a pretty sexual person. How would you rate your sexuality from one to 10?

APRIL: I would say I'm like a nine. Maybe eight and a half. I'd say it's pretty high.

40SOMETHING: What's your favorite

continued on page 63

"I've had threesomes with two men. I've never had a threesome with two women."

"People wouldn't be surprised to see me here. They accept and approve whatever I like, which is lots of sex."

Meet Mallory. She's a divorcee and mom, and now she's adding porn star to that list. As you can see, she fills out this tight dress nicely. Her tits and ass stretch it in just the right places. She also looks hot out of her dress. And that's why she's here. To show off her body and to show off her suck 'n' fuck skills for the camera and for you.

Mallory isn't a swinger or a nudist, but she likes to be watched when she has sex. "It's more exciting," she said. It was exciting for us to watch her fuck two studs in our studio. She took their loads on her face and in her mouth like a pro. Mallory doesn't just have the looks, she has the hunger for cock and cum too.

Mallory has a little hair on her pussy. "It makes me feel more womanly than being completely bald." She has sex at least three times a week and masturbates when she needs to satisfy herself. Her fantasy is to have public sex, and eating her pussy is the best way to make her cum. "I love it when a man passionately licks my pussy and sucks on my clit. I think it's extremely erotic for me to cum all over a man's face while he licks me."

"Although I consider myself straight, I have been with women before. It's fun. I'm game for most things. My kinkiest experience was a three-way with a man and another woman. We all had sex for hours. If I would get tired, she would take over, and vice versa. It was hot because we were all into each other. Now I would like to try a three-way with two guys so I could have all their attention on me."

"I used to wait for the man to make a move. Now I initiate sex. Thank you, porn life."

Deliah was a shy mom who got turned out in our studio. When we interviewed her, she told us all about how she'd never been very sexual until her second husband. Now she's fucking strangers on-camera. "Doing porn has been great for my sex life with my husband. I can be more open now. I can ask for cock and talk dirty. I couldn't do that before."

We've got to tell you, we owe a lot to these second husbands who encourage their once repressed wives to explore their sexuality and do porn. Without them, we wouldn't have the chance to see babes like Deliah spreading and fucking in our magazine. And speaking of spreading, check out Deliah's super-pink pussy and butthole. We think she has the pink-est holes we've ever seen.

"I've learned that I like to be watched having sex. I didn't think I would since I've always been very insecure and shy, but it's actually a turn-on knowing that other people are getting off watching you." It's hard to believe that Deliah was ever insecure. She has a great figure and one of the best natural racks that we've ever seen on a MILF. But hey, we're always happy to help a woman see how sexy she really is.

"I never used to masturbate. Now I do. I actually enjoy doing it for someone and watching them get turned on just watching me rub my clit and vagina and stick my fingers inside myself, then in my mouth. I used to not like cum. Now I love to see a man ejaculate because he's turned on by me."

"I've masturbated every day since I was 12. I'm a nympho and need a lot of sex. My body craves it."

We met Brianna last issue in SP323. To say she let it all hang out in her interview is an understatement. She told us all about how she loves anal, gangbangs, big cocks and DP. She started sucking JMac's cock in the middle of the interview. We're not kidding when we say she's one of the horniest women we've ever met, and we've met a lot of horny women.

During her interview, Brianna demonstrated her deep throat skills on JMac's cock. She got so turned on the scene could've started then, but we had an interview to finish. This is where they pick up again after Brianna had been dying to get his big cock back in her mouth.

Brianna is divorced and has two kids. She used to be a paralegal and a banking consultant. More recently, she's been an escort. We think that job suits her much more. She's fucked about a quarter of the National Hockey League and quite a few football players too. "I keep trying to live out my sexual fantasies." And that's why she came to our studio. As wild as she is, porn was a new frontier for Brianna.

"I'm very much into lust. I love a man's sexy body and feeling his big, hard cock pushing into me. I like hard sex as well as slow, passionate sex. I love DP, anal, deep throat and being eaten out." Basically, Brianna loves it all. And you can watch her loving it all in this scene in the movie *Fuck My Old Ass 9*, available for order on page 99.

"Having two or more cocks to please is one of my favorite things."

Robin has been with us for a while. We've watched her mature from a horny 50-year-old into a full-fledged 60plus porn star. She's done anal, three-ways and orgies, but this is the first time she's getting double penetrated by two hard cocks for us.

The last time we saw Robin, she was sharing two cocks with Honey Ray. Now she's getting two cocks all to herself. "It's nice to have a friend help you out in an orgy. But I don't mind being the only girl, either. I've been around the block enough times to know that I can handle lots of cocks at once. And best of all, I get all of their cum!"

Robin is submissive and enjoys letting men have their way with her. "I like to get creative with sexual things. For instance, dinner out with a man who has placed a vibrating egg over one of my holes. He can turn it on at random and watch me squirm while we dine. I enjoy that he enjoys watching me struggle to keep my composure."

"I'm a giver and pleaser by nature, so having two cocks to play with just means more opportunity for me to give and please. When I do DP, my holes are theirs to pound. Physically it feels good to be so filled up by cock. But it also turns me on to know they love stuffing my holes. And at the end, my face and body are theirs to spray with loads of cum."

sexual position?

APRIL: I like to ride a lot. So that's cow-girl. And doggie.

40SOMETHING: What about doing reverse cowgirl?

APRIL: I like that too, but not near as much as just traditional cowgirl. Face to face. I like to grind. And I like the action of sliding up and down. And being in control of the guy. And I like doggie, because everyone likes doggie. It's comfortable. It's fun. You get to move around a lot. It's freeing. I think it's just a little bit more naughty feeling. It's more revealing.

40SOMETHING: Do you like it when the man pulls your hair?

APRIL: Only a little bit. I don't like it too rough. I do like a nice spank though. But anything like choking or with my neck I'm a little guarded about. But I like my body to be moved around. I like to be picked up.

40SOMETHING: So you like to be man-handled during sex.

APRIL: Yeah. I just don't like choking or hair pulling or anything extreme like that. But I like being manhandled and feeling like the guy is really strong and manly. It's a turn-on.

40SOMETHING: So how are your blow job skills?

APRIL: Oh, I love blow jobs. It's like, I want to get to know that dick before I stick it in my pussy. And that's the best way to get to know a dick first. You can tell what it likes a little bit more. You can tell that it smells good, tastes good, looks good. You're inspecting it before it goes inside. So I like to give blow jobs just so I can learn what a guy likes and figure that out.

40SOMETHING: Do you spit or swallow?

APRIL: Swallow. It's natural. I have to think about spitting it out. It just doesn't make sense to me.

40SOMETHING: That's not fun, huh?

APRIL: Exactly.

40SOMETHING: So I think you're going into a hardcore scene after this interview. Are you excited?

APRIL: I am. I'm very excited. I can't wait to meet my co-star.

40SOMETHING: It's going to be fun. And I think he's here and waiting, so let's wrap it up. It was great talking to you.

APRIL: I can't wait to meet him. Thank you so much!

Christina

41

YEARS OLD

Birthday: May 12
Height: 5'5" Weight: 150 lbs.
Lives: Tampa, Florida Status: Married

"My kinkiest encounter was the BBC party where I was fucked 15 times. I loved all the cum!"

Big-booted Christina is a wife and mother of one. She's also a swinger who says her wildest experience was a three-year polyamorous relationship with another couple. Yep, we think Christina will fit in just fine around here! "Doing porn was a natural choice for me. I can share my orgasms with the world!"

When it comes to sex, Christina's tastes are eclectic. She'll fuck women and men, which includes, of course, younger guys. "One weekend my husband found an ad on Craigslist and invited over a well-hung 19-year-old. We talked about his college classes, and then I schooled him in the joys of fucking an older woman!" Christina says that currently she's also into cuckolding and BBC play.

"My first experience with a woman was when I was 19 or 20, and while I didn't have many female partners in my 20s and 30s, I thoroughly enjoyed them when I did. Nowadays I am just as likely to

want a female partner as a male partner...or both if I can get it! I love having several partners and energetic, multi-position sex. That's the best part about being a swinger. The variety."

Samantha

41
YEARS OLD

Birthday: April 10
Height: 5'4" Weight: 126 lbs.
Lives: Arizona Status: Married

"Swinging was how I got to experience my first BBC 18 years ago, and I went at it all night long."

Busty and very sexy Samantha is showing off her body for the first time ever on-camera. She was sent our way by Leah L'Amour. Like Leah, Samantha is also a swinger. She says she loves to have sex with other men in front of her husband, especially if they have a big black cock. "I love tall, fit, polite, black gentlemen. I love being shared by my husband and a BBC bull."

Samantha's ideal date is a movie and dinner with her husband followed by a hot threesome with two men. We asked her what she hadn't done in life that she would like to try, and she said, "Be in a porn movie." Check! Samantha got her first on-camera cock in our studio, and the next day she got two more cocks to play with. "I always try to live out my fantasies. That's why I'm here."

Samantha has earned herself some fans over at our site 40Somethingmag.com. Her husband left a comment saying that all the flattering comments have made her feel wonderful, and as a result, she is wearing him out and looking for more. Fortunately, there's no shortage of hard cocks for Samantha at our studio. Keep letting her know how much you like her, and she'll keep fucking.

"I try to have sex as much as I can. I want it three times a day."

Sexy Hannah Grace is one of the finest grandmothers we've ever seen. That's right, she has two children and one grandchild. But her granny title doesn't stop her from showing off her body. "I like to be sexy. I like to show off my legs, my beautiful shoulders and of course my ass."

Hannah likes to go on adventurous dates and be out on the water. She wears thongs and likes to be the center of attention. Our studs made sure to give her holes plenty of attention, and you'll be seeing more of that soon. "I love to be watched. It turns me on that someone is getting turned on by watching me fuck. All women have the desire to feel wanted like that."

Hannah isn't a nudist and she recently got into swinging. "I have been to a swingers club, but I am new to it and just starting to explore." She usually cums two or three times when she mastur-

bates and likes bondage and spanking. She thinks it's sexy when a man knows what he wants and goes after it. As for what Hannah wants, it's your cum, and lots of it.

Hannah has worked in many different fields, from health-care to pre-school education to car sales. She also worked at a fine-dining steak house where she got lots of tips, including one from a younger coworker. "I fucked an 18-year-old that I worked with. He was the dishwasher. The good thing about young guys is that they can cum a few times and keep going."

look forward to with each issue. Nadia Night's interview was very good. It's great when a woman can speak so candidly about her sex life. Those are the best interviews. And the photos of her getting ass-fucked made it even better. Nadia told a sexy story about getting her boyfriend to ass-fuck her the night before her anal scene. I would have never guessed. And that piece of information makes her anal scene even hotter, knowing that she hadn't done anal in a long time and her ass must be really tight. Some of your models can be a little reserved in their interviews, but Nadia doesn't hold back. And I didn't hold back my cum for her either. The combination of her raunchy interview, big tits, anal sex and slutty facial really got me going.—Z., via email

NAY FOR NINA

Dear 40Something,

I enjoy a fit model as much as the next guy, but Nina Dolci takes it a touch too

Do you like Nina's super-fit body? Readers were split about it.

far. She is a bit too muscular for my preference. Please select models who are softer and more feminine looking. Raquel Sultra is about as muscular or fit as I prefer women to be. And even she is borderline. It's a shame because Nina has such a pretty face. She looks like she could beat me in a arm-wrestling com-

petition. And while I can appreciate her dedication to health and fitness, this is not the type of woman I want to jack off to.—Anonymous

YAY FOR NINA

Dear 40Something,

Nina Dolci is hot! I'm a personal trainer and have competed in fitness competitions in the past, so I enjoy seeing ladies who enjoy working out as much as I do. I love that big, juicy clit of hers. I would suck on that button until she squirted all in my mouth and all over my face. Then she would be nice and primed to take my hard cock in her pussy. If she fucks as good as she looks (which I'm sure she does), I'd be in for a real treat.

You might get some push-back from other readers about featuring such a fit-looking model, but there's one thing those couch potatoes don't realize. A fit, strong woman has a fit, strong pussy. I know a woman like Nina would be squeezing my cock tight with those strong pussy muscles of hers. I'm loving these fit MILFs and cougars. Please keep them coming and cumming!—T.H., Fort Lauderdale, Florida

BUSH WHACKER

Dear 40Something,

Could you feature more models with bush? You'd think more MILFs would have them since they come from that generation, but nope. There's nothing I love more than a big womanly bush. The kind you can run your fingers through. None of that trimmed business either. I'm talking about fully grown out pubes. Sadly they are hard to find these days. The last bushy model I remember you publishing was Elektra. At the very least, get her back in the studio for more shoots. Have her tug on her pubes and pull on her pussy hair to spread her labia. Have her bend over on all fours and spread her cheeks so we can see that bush from her pussy to her asshole.

The younger guys these days are desensitized to bush because so many women wax or shave. But back in the 70s and 80s we loved bush. I would get so hard when I'd bury my face in a big, juicy bush and have to hunt for the candy center with my tongue. They were always so soft and fluffy and held the scent of the woman so well. Now guys get turned off by it, but they aren't real men in my book. A real man knows what to do with a hairy pussy. Fuck it until it's sticky and wet with her cum and yours. Bury your face in it so that you get intoxicated off her smell while her pussy curls tickle your cheeks.

If you can't find a bushy model, please try to convince some of your models to grow their bush out. I would

Some readers still have a special place in their hearts for bush.

ON A QUEST FOR SAGE

Dear 40Something,

Sage Quest is one of your most underrated models. I find her very attractive, and I'm surprised you don't get more letters or emails about her. There is just so much about her to like. Her delicate facial features, from her perfect nose to her pretty eyes and sweet smile, are divine. And she has the perfect petite frame for picking up and tossing around in the bedroom. I like a small woman who I can manhandle (with her permission of course). Sage also looks very toned and fit. Her big, pointy nipples turn me on immensely. So do her big, juicy pussy lips. I would love to suck on those nips while those big pussy lips of hers massage my shaft as I fuck her. The photos of her spread pussy on your website are absolutely wonderful. They're so up-close and personal I can practically smell and taste her. And I love the way her big pussy lips bulge out of her crotchless string panties. I thoroughly enjoyed her hard-core photos and videos with those hung studs. A petite woman like Sage looks great when paired with a giant cock. She really looks like she got stretched out in those scenes. I hope you'll consider inviting her back. I look forward to it.—R.B., Chesterfield, Missouri **40**

Sage is a small woman with big, meaty pussy lips.

Height: 5'8" Weight: 129 lbs.
Lives: Las Vegas, Nevada Status: Divorced

"If I'm horny enough, I'll get wet just from making out. That's the best."

When we asked Lacy if she's into anal sex, she said, "If I'm super-horny, yes." Lacy didn't know if she'd be super-horny when we asked her to get ass-fucked on-camera for the first time. After all, we asked her weeks before the scene was shot. But when the time came, she said, "Bring him on!"

Lacy is a mom to three kids, and although you probably wouldn't guess it, she's a grandma too. Not very many grandmas look like Lacy or do what she's doing here. That's why she's special. "My friends and family know I do photo shoots, but not past that." Meaning they don't know that she gets her ass fucked on-camera. "They'd be shocked."

"Before I split up with my husband, I was having sex three times a week. But now that I'm single it depends. There are times that I could be getting it on the regular, and times that I go through a drought. But now that I'm trying out porn, I don't have to worry about that. I know there's always a nice, big, hard cock waiting for me if I'm craving it. Which I often am."

"I can make the first move if I'm in the mood, but it really turns me on to have the man make the first move. In my opinion, if he wants you, then he'll go for you. If he doesn't go for you, he either doesn't like you that much or is scared. And neither of those things is sexy. I like it when the man leans in and gives me a kiss that makes my pussy drip."
